Are You Writing Your Will?

Many nonprofit organizations derive major portions of their income from bequests—both large and small—from their members and friends.

You may contribute to any of the funds of the Association for Childhood Education International a gift, large or small, the income from which may be either for a special purpose or to pay operating expenses. Any member of the Gifts and Bequests Committee or the Executive Secretary will gladly discuss this matter with you, if you desire, or write ACEI for the brochure, *A Will To Serve Children.*

The form of bequest should read:

"I give, devise and bequeath to the ..... Fund of the Association for Childhood Education International, a corporation organized under the laws of the District of Columbia, and having an office at 3615 Wisconsin Avenue, N.W., Washington, D. C. 20016, the sum of ..... dollars ($.....)" (or description of the securities, real estate or other property conveyed).

Will you give these thoughts your earnest consideration?
